Standing Committee of Tamil Speaking People (SCOT)

(1) SCOT is one of the older and established Organisations in the United Kingdom where it is registered as a charity. SCOT does not engage in any form of partisan political activity nor is it affiliated to any political party or group.

(2) The main objectives of SCOT are:

- a) The relief of poverty among the Tamil speaking people in Sri Lanka by developing and supporting programs and other initiatives which address this problem, preferably on a long term and sustainable basis.
- b) To provide relief and rehabilitation assistance to people affected by violence or natural disasters.
- c) To work and campaign for the protection and promotion of human rights of the people.

(3) SCOT is funded exclusively by contributions from its membership. The resources available for achieving its objectives are limited by the extent of the voluntary contributions made by the members and proceeds of any fund-raising activities. Any application for financial assistance is therefore measured by its relevance to the achievement of its objectives and the potential benefit that it will bring to the community.

(4) The above application should be completed and returned to the Projects Officer of SCOT:

Mr P Swampillai, 69 Lincoln Rd, Harrow, HA2 7RH, England.
